

# PLANTATION PROPERTIES & LAND INVESTMENTS, LLC

## Creek Fork

Creek Fork is 67± acres located in northern Spalding county. The property is bordered on the north by approximately 750 feet of frontage along Hillview road. This property is a mixture of planted pine stands and natural timber stands of mixed pine and mature hardwood. The central portion of the tract is 14.5± acres of premerchantable planted pine. This area supplies a perfect bedding area for the healthy population of game in the area. Along the road frontage is a stand of merchantable planted pine that covers approximately 8 acres. The southern portion of the property is covered in natural pine and hardwood timber. Whiteoak, hickory, and red oak dominate the area. A large ridge runs east and west across the property and overlooks a small creek in the bottom. This creek intersects with a second small creek on the eastern border of the property. This property will serve as great recreational property or as a large home site. Give us a call to take a look at great piece of property.
