

## **Whitewater Creek Plantation**

Plantation Properties had the pleasure of selling this incredible Middle Georgia property! This property featured over a mile of Whitewater Creek frontage. The wildlife here is unmatched, and has been managed intensively over the last several decades. Old growth hardwood & a mixed age class of mature/pre merch pine plantation made up a vast majority of the property. Whitewater Creek Plantation is one of the most appealing tracts to trade hands in Taylor County, GA in some time.
