

## **Banks Brannen Farm**

The Banks Brannen Farm is located at the corner of Banks Dairy Road and Johnny Brannen Road, less than 5 miles from downtown Statesboro, GA. On the North side of Banks Dairy Road is a beautiful 89± acre farm with approximately 46± acres of improved pasture land, while the remainder of the property consists of 20± year old pine plantation and a hardwood/pine mixture. This timber has merchantable value, but also provides great habitat for the wildlife as well as a nice aesthetic touch. The farm is bordered to the northeast by a creek. The pasture land on the property is ideal for livestock or could easily be converted into cultivated farm land. The Banks Brannen Farm is perfect for those looking for a place in the country while still keeping all those conveniences of the city. Statesboro is a charming city with that small town feel. This would be a perfect place to build that dream home.
