Hidden Waters Farm

Hidden Waters farm is a beautiful 181± acre farm located in Northern Bulloch County just outside of Statesboro, GA. This property is truly one of a kind with all its charm and aesthetics. The old farm house at Hidden Waters is so cute and with a little love could be the perfect home or weekend get-away retreat. We just adore the history of this home with all the original wood floors, doors and walls and 2 original fireplaces. There is also a nice sized barn and well house located near the home for plenty of storage. The property itself has a nice flow with its gentle roll of 92± acres of cultivated farm land, woods and open pasture land. Amidst all this property a nice pond is “hidden”, making it the perfect “honey hole” for bass fishing, boating or a private picnic with the family. Make this farm your new home, weekend retreat or venture property. Enjoy farming, horses, cattle, hunting, fishing, and more all on your own land. Call today for more details or to view this property.
