

Carters Ford

Hunting Tract! 67+- Acres in Taliaferro County, Georgia. Perfect for bow hunting and rifle hunting. Shooting lanes on multiple stand locations allow for food plots to be planted. The logging crew left many white oaks and red oaks along the creek running through the property that sets up for a perfect bow hunting situation. There is an established road system on the property allowing for ATV access. The property falls away to a bottom with thicker hardwood cover and is surrounded by large tracts of older growth pine forest. An investor may consider replanting in pines to maximize future value and income from the property.
