Hilltop Retreat

Just Reduced! Hilltop Retreat is a private 5+/- acre property in Laurens county. The property is covered in old growth oak and hickory that shade the approximately 700 square foot cabin. The cabin is very unique and well thought out. The exterior is wood sided with a large screened porch that looks out over the wooded yard. The interior is appointed with materials that were reclaimed from several old homes that once stood in some of the surrounding towns. The bedroom and living room floors are made from wide plank pine and pinned with wooden dowels. The floor in the kitchen area is made of old brick pavers. The pavers really accent the antique sinks and other fixtures. The bedroom is very open and has its own exterior door. It also features a large walk in closet. A loft area over the living room provides more storage or a possible sleeping area. Hilltop Retreat will make the perfect getaway from all of the stress of modern life with out requiring the upkeep or investment of a large property. It is conveniently located along Interstate 16 halfway between Macon and Savannah. The Oconee river is less than a mile away, as well as Rlverbend WMA and Hugh Gillis PFA for fishing and hunting.
