For-sale

407 WESTGREEN ROAD

Coffee County | $239,500 | 4 acres

Property Details

This spacious 2,638-square-foot home offers 3 bedrooms, 2.5 bathrooms with large rooms and plenty of living space. Situated on a beautiful 5-acre lot with mature pine trees, this property offers privacy, space, and plenty of natural beauty.

The home has been extensively updated while maintaining its character and charm. A new red brick exterior and black tin/metal roof give the home a fresh look, while a new air/heat pump system and new plumbing underneath the house provide important updates. Inside, fresh paint, new sheetrock, and beautifully shined hardwood floors create an inviting feel. Large rooms throughout the home provide plenty of living space, with two fireplaces adding warmth and character.

All furniture and appliances convey with the home, making this an especially convenient opportunity for someone looking for a property that is ready to enjoy.

With its generous acreage, mature pines, spacious floor plan, fireplaces, and extensive updates, this property offers a unique opportunity for someone looking for a comfortable home with plenty of room and privacy.
