ARABI PLANTATION

Crisp County | \$2,800,000 | 760 acres

Property Details

This amazing property would make a great investment property or hunting getaway that offers a little bit of everything. The 760± acres consists of 400 acres of row cropland, currently being leased out with substantial income, and possibility to convert to 650 acres under pivot. The remaining acres are mostly all hardwoods with 3 ponds and a hunting cabin in place. The hunting rights are currently leased out with deer, turkey, and hogs abundant on the land. The tract is bordered on the west by the railroad and by interstate 75 on the east to give more possible revenue from industry or billboards. The extensive road system accesses the entire property for ATV or horseback riding. Call today to see this great property.
