BIG HILL TIMBER #1

Screven County | \$2,100 | 193 acres

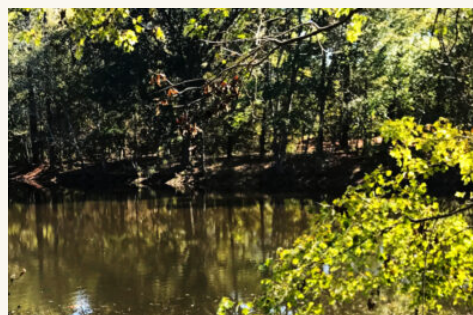

Property Details

Big Hill timber tract would make a great hunting or timber investment tract. Hunting possibilities include deer, turkey and ducks. There are several food plots already established on the property as well as a good interior road system through the front of the property. The 198 acres has a wide variety of timberland to enjoy, 55 acres of mature pine and hardwood mix, 60 acres of 10 year old planted longleaf pine that could be managed to create income from the straw. There is also a 1.6 acre pond and a wet weather pond for duck hunting. The remainder of the land is 15 year old hardwood regeneration with a small creek running through it.
