BIG HILL TIMBER #2

Burke County | \$282,500 | 113 acres

Property Details

This property is loaded with timber that could be cut at any time to produce income. The majority of the property is 25 year old pines that have been thinned making it very accessible for hunting, deer and turkey are plentiful throughout the area. There are a few hardwood drains and established food plots on the property providing food for wildlife. There is also 4000 feet of road frontage only two miles from town making development also a possibility. Please call to set up a showing.
