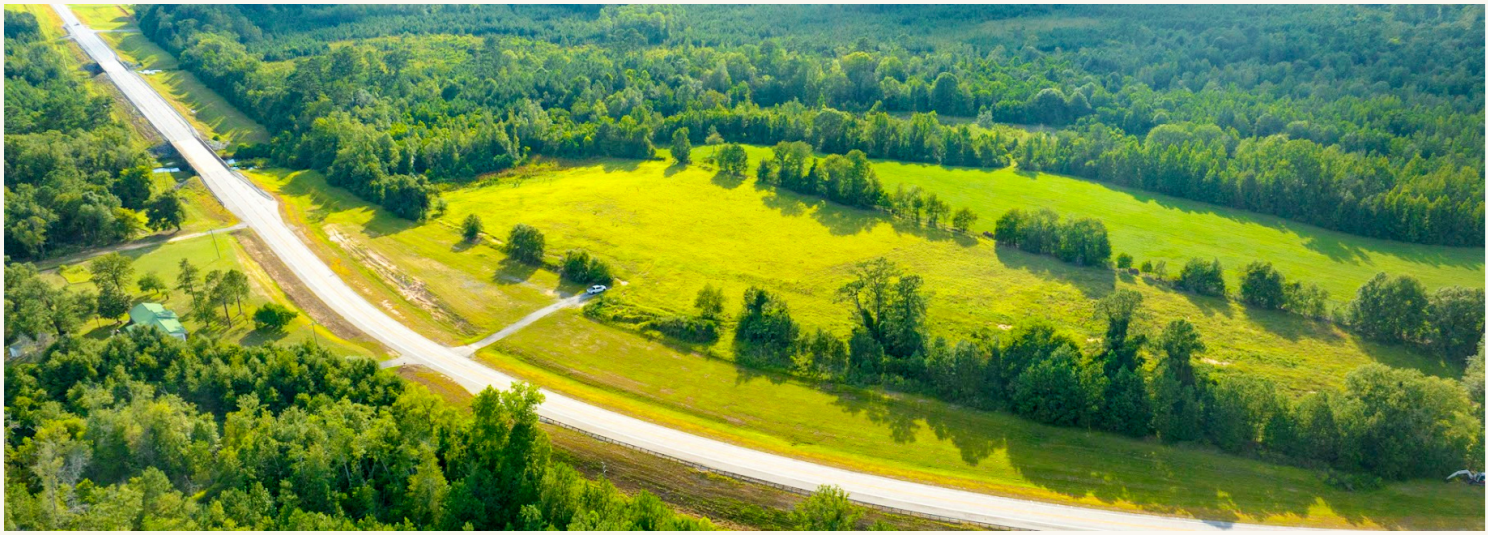
BIG HORSE CREEK HOMEPLACE

Telfair County | $89,500 | 13 acres



Property Details

Big Horse Creek Homeplace is a well located & potential-packed 13 acre tract in Telfair County, Georgia!

There is a 9-acre pasture up on the hill that would make a beautiful home site, with long range views in several directions. The pasture has been well-maintained, and would be very suitable for cows, horses, or an array of farm animals.

The hunting here is excellent, as deer can be seen in the field early mornings & late in the evenings.

Big Horse Creek flows along the Southwest property line, offering fishing opportunities year-round. The creek flows under HWY 319, and is a large year-round water source.

The frontage along HWY 319 offers future commercial use.

This is a very unique tract, and would be making an excellent investment. Give us a call today to see it for yourself!

(Do not enter the property without permission, this tract shall be viewed by appointment only.)
