BLUEWATER RIDGE

Laurens County | \$595,000 | 85 acres

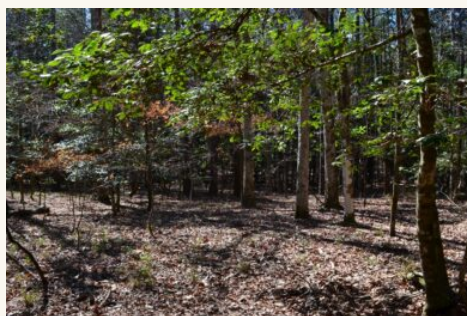

Property Details

Bluewater Ridge is a beautiful 85+/- acres located between Dexter and Dublin in Laurens County. The property is gently rolling with small ridges falling into bottoms. The majority of the property is timbered in natural oaks and pine with one area of large planted pine. Game populations are great on the property due to the ideal habitat and large amount of feed. Deer sign is across the tract. The turkey population is also great. Two points of frontage along Mark Wood Road gives great access to paved county road. Power is available across the whole frontage making construction of a home or camp house very convenient. This property is a great opportunity to own a midsized tract that has been left largely in its natural state. Give us a call to schedule a showing!
