CHESTNUT HILL

Screven County | \$480,000 | 80 acres

Property Details

Nice private parcel in southeast Screven County. This property is mostly wooded with dry soil and a road system throughout. It also features a 10± acre Chestnut Tree Farm that is currently in production. The orchard also has some other fruit trees and vegetables planted around the Chestnuts. There is a deep well supplying drip irrigation and a shop that has a walk-in cooler for storing the harvested nuts. This property is also a great hunting tract with plenty of deer and turkey.
