

Sold

COCHRAN HWY WEST

Dodge County | \$136,565 | 25 acres

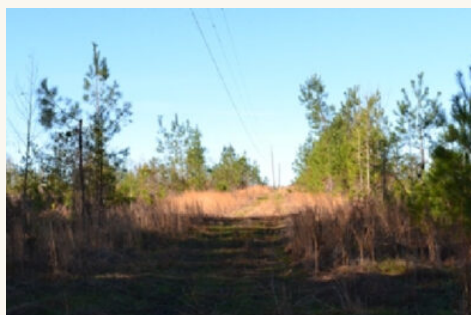

Property Details

Cochran Highway West is 24.83+/- acres located just outside of the small town of Chester. The property has frontage along HWY 126 and gently slopes upward to the west. The timber was recently harvested leaving this a blank canvas for the new owner to design how they would like it. Power already crosses the property. This property will set up well for a smaller recreation tract or large homesite. Please give us a call to take a look at a great opportunity in Central Georgia.

Address

Hwy 126/Chester Cochran Hwy
Chester, Georgia 31023
