COLBY CIRCLE

Laurens County | \$50,000 | 4.48 acres

Property Details

Colby Circle is a beautiful, secluded lot in southern Laurens county. This property provides a private site for a home in the country. It is located approximately 15 miles from downtown Dublin and approximately 10 miles south of I-16. The property is bordered by a small creek that is lined with hardwoods while the upland portions are forested in mature pine timber. The drive in to the homesite has been established, and an area of several acres has been cleared of underbrush and will be ready to build on with minimal tree removal. The creek provides a buffer on two sides that will limit encroachment of future homes on the boundary. This is a great opportunity for a beautiful building lot in a quiet and rural area of middle Georgia. The property is subject to some very basic covenants to protect an owner's investment.
