COUNTY LINE LONGLEAF

Screven County | \$619,000 | 119 acres

Property Details

This nice timber tract located in northwest Screven County has many features including hunting, timber investment, and yearly income from pine straw. The majority of the property has 11-year-old longleaf pine (70 acres) with a 3-year contract in place for raking producing good income. The remainder of the tract has a mix of pine and hardwood for wildlife bedding area. The road system allows good access to the entire property for deer and turkey hunting. Additional acreage from adjoining property available.
