DAIRY ROAD

Screven County | \$165,000 | 63 acres

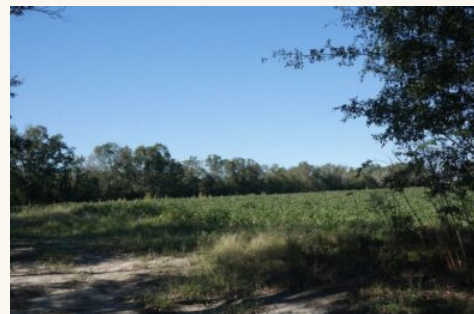

Property Details

Dairy Road is a 63+/- acre tract located in Screven County. This property has 41+/- acres of cultivated farmland on it. The farm is currently leased to a local farmer who would be willing to continue the lease, or you could farm it yourself! It also has a 1,302 square foot home on it that sits in the midst of beautiful pecan trees that bring in around \$5,000 each year. It was built in 1947 and remodeled in 2018. This home now has new siding, a new metal roof, new sheetrock, and new wiring and plumbing! It is a 2 bedroom, 1 bathroom home. The inside was still in the process of being remodeled, so it has been framed up but still needs to be completed (see photos). This is a great opportunity for you to be able to customize your living space! Call us today to set up an appointment to view this property! 912.764.LAND (5263)
