DOUBLE POND

Tattnall County | \$57,900 | 15 acres

Property Details

Double Pond is an excellent opportunity for one to have a secluded homesite out in the country with two ponds. It's not to be overlooked that this property is just 10 minutes from I-16! This tract is bordered by several large farms. It features double road frontage; paved road frontage along Handy Kennedy Road & county maintained dirt road frontage along Henry Moxley Road. Power is easily accessible from both roads. Again, this property features two separate ponds, which will offer excellent recreational opportunities. There is some nice open land, which seems to be ideal for a homesite. This is a hard property to find in this market, and it will not last long. Give us a call today to see it for yourself!
