ENNIS SCHOOL HOMEPLACE

Screven County | \$85,000 | 10 acres

Property Details

This property located in southern Screven County would make a great homesite with all the advantages of living on the farm. The property has a small road going through the middle of the tract with pines and hardwood covering the property. There is a new survey done in the last couple of months and all property lines are clearly marked. Just a short drive from Effingham County and Statesboro call today to see this nice property.
