FOSTER ROAD

Butts County | \$380,000 | 53 acres

Property Details

Foster Road is 53+/- acres located in Butts county. Its close proximity makes it convenient to I-75. The property features county maintained gravel road frontage. The majority of the acreage lies on the east side of Foster road. An area of approximately 5 acres lies on the west side. The property is covered in young, natural timber. On the extreme southern end of the tract is a large clearing that is currently being used as a food plot. Game sign is found across the property. This property will make a great family retreat, hunting tract, or investment for the future. The tract's configuration makes it ideal for future division and possible development. Give us a call to see a great tract.
