Sold

HILTONIA FARM

Screven County | $240,000 | 40 acres

Property Details

Nice private acreage in North West Screven County would make a good hunting property or homesite. The tract is a mixture of natural woods and planted Longleaf pines. The land is mostly flat with a small low area on the Northern property line. Paved road frontage on Millen-Hiltonia Road and a good internal road system makes the entire property accessible. Additional acreage available.
