HILTONIA HUNT CAMP

Screven County | $281,200 | 74 acres

Property Details

This property is a hunter's dream come true! At the front of the tract, off of Hiltonia-Perkins Road, sits a nice stand of pines with several deer stands and a 3-acre food plot already in place. Once you drive through the pines, it opens up to an 11-acre duck pond providing an excellent water source for all wildlife. The pond has a berm built to make duck hunting accessible and creates a good road to the back of the land. The back portion is mature hardwoods with lots of large acorn trees, making it an awesome deer habitat. Please call today to see this great tract.
