

Sold

HWY 301 SOD FARM

Screven County | \$184,000 | 23 acres

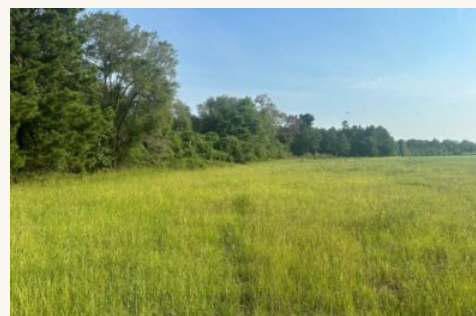

Property Details

Farmland currently leased out as a sod farm. The property has a lease through the end of 2026, the lease will transfer to the new owner. The 6 inch well supplies a center pivot to irrigate the farm, the pivot does not transfer with the sale. The land is in a prime spot for future development or a homesite.

Address
