HWY 57 TRACT

Wilkinson County | \$42,500 | 10 acres

Property Details

This is an excellent 10 acres tract just off of the Fall Line Freeway. Full of older hardwood/pine mix, this tract would make an excellent homesite and/or small hunting tract! A future commercial venture could be a possibility given the location. There is double paved road frontage along HWY 57 & Mission Farm Road. This tract will not last long in this market, so give us a call today!
