# INDIAN TRAIL

Screven County | \$304,000 | 80 acres

## Property Details

Great property for a country getaway or homesite this land has a little bit of everything. The front portion has a 4 acre pond, deep well, 2 septic systems and power ran to two older mobile homes. The back 40 is farmland that has been laid out for the last few years. It could be turned back into cropland, planted in timber or hunting land. The southwest corner has a duck pond on it, deer and turkey are plentiful in the area. The property can be purchased with or without the mobile homes.
