JACK'S CREEK

Emanuel County | \$329,517 | 140 acres

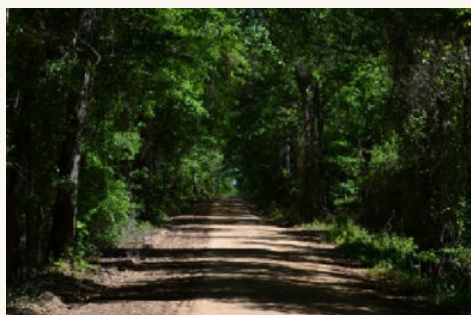

Property Details

Jack's Creek is 140.22± acres located south of Swainsboro in Emanuel county. This property is mainly timbered in large natural pine and hardwood. The upland portion is predominantly pine with the lower portions being mainly hardwood and gum with a small portion in seasonally wet areas. Jack's creek runs through the eastern portion of the property. The property has frontage along two county dirt roads and a trail system that carries you through the tract. This property's close proximity to I-16 and HWY 1 make it convenient to access from any direction. This will make a great weekend retreat and place to hunt. Call today to schedule your showing.
