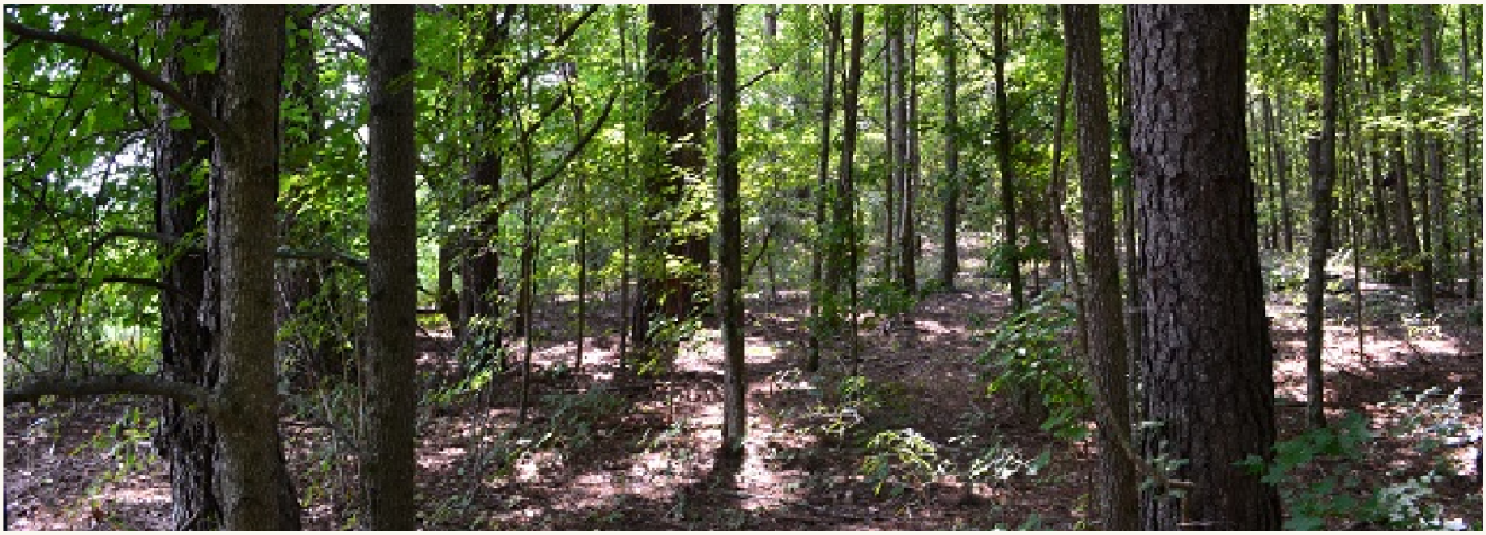
Sold

JORDAN ROAD

Crawford County | $65,000 | 17 acres



Property Details

Jordan Road is 17± acres located in Crawford county near Byron. The property is almost entirely wooded and very private. The property is timbered in a natural mixture of pine and big mature hardwoods such as oak and gum with a few cedars scattered throughout. Paved road frontage makes for easy access. This will be a great place for a home in the country. The property is located approximately 40 minutes from Warner Robins and Macon and approximately 20 minutes from Byron. Please give us a call to see a great central Georgia property.
