LITTLE HILL GETAWAY

Screven County | \$350,000 | 79 acres

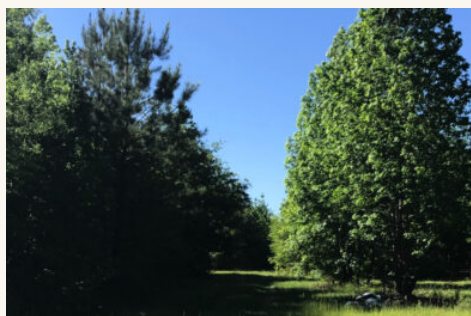

Property Details

This property is a hunters dream come true with all game possible in Georgia on it. Deer, turkey, hogs and ducks are plentiful on the tract along with the occasional quail. The owner has large food plots established with tower stands and feeders in place that stay with the property. This is truly a turn key property. There is also an extensive road system for access to each area of the tract. Located only 1.5 miles from the Savannah River and public boat ramp it can be enjoyed year round. There is also a 2200 square foot house that is dried in with all metal studs and joists and hardy board siding. A 3.5 horse power well and power are also included with the house and available for another homesite already cleared. Call today to set a showing of this great property.
