LITTLE OHOOPEE

Emanuel County | \$159,900 | 99 acres

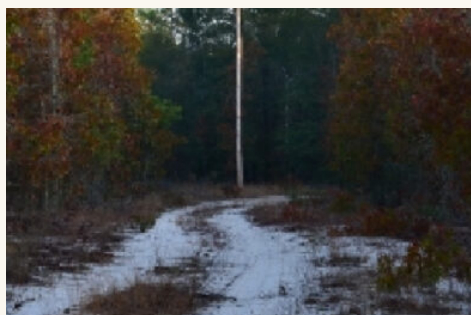

Property Details

Little Ohoopsee is 99 +/- acres located in southern Emanuel county. The property is mostly upland with some river bottom along the Little Ohoopsee River. The river bottom is lined with large hardwoods and mast bearing trees. The upland area is covered in long leaf pine and black jack oak. This tract is loaded with game. Deer and turkey are plentiful with the odd wild hog now and then. A wood framed shop is located on the bluff over the river. It is built on a slab with a roll up door. A well provides water and is powered by the electricity on site. Access is along HWY 56 with long frontage. This will make someone a very affordable hunting retreat with access to great fishing opportunities as well.
