LONG LEAF FARM

Screven County | \$875,000 | 175 acres

Property Details

This beautiful property in Southern Screven County is a good investment for recreation and cash flow. The long leaf pine on the property gives an annual return to the owner. There are 64 acres of 24 year old long leaf, 25 acres of 16 year old long leaf, and 40 acres of loblolly pine. The remained of the property is covered with a mixture of hard wood and pine. The property has an abundance of deer and turkey for game.
