LOW COUNTRY TIMBER

Bamberg County | $325,000 | 117 acres

Property Details

This great property offers a little bit of everything; from a weekend farm retreat to an awesome hunting tract. Located off of Low Country Hwy just east of Hwy 301 in Bamberg County, SC, it is a short drive to Beaufort, Charleston and Columbia. We have a current timber cruise with a value of around $100,000. There are also a few acres of newly planted pines along with some open field and pasture land on the property. The property already has power on it and has a nice road system, along with a few established food plots. Please call today to view this beautiful property.
