MARSH FRONT BARBOUR ISLAND LOT

Mcintosh County | \$149,500 | 6 acres

Property Details

This is the first time in twenty years a large tract of contiguous marsh front lots has been available on Barbour Island. Here are six beautiful lots just feet from a modern clubhouse, swimming pool, and two community docks. Access to this paradise is by boat or private plane. Thirty minutes after leaving PDK, you will be in your boat shrimping. Head over to one of the local waterfront restaurants for an evening meal and cap off the day watching the sunset. Sapelo, St Catherine's, and Blackbeard Islands offer you pristine beaches you can visit only by boat and you are minutes away. Take off from the community dock for a day of blue water fishing or stay inshore for trout, redfish, and flounder. Stay for the weekend or a lifetime. Savannah is 50 minutes away. Call us for a visit and you probably will not go home.
