NAILS CREEK

Jefferson County | $525,000 | 375 acres

Property Details

This 375+/- acre property is located on the West side of Jefferson County. The West side of the tract actually lies in Washington County. This land has 5 year old planted pines on it, and the clearcuts on the property have already been sprayed! The hunting on this property is excellent, and purchasing this property would be a great timber investment in the years to come. There is also the potential to convert the land to pasture. With the many options for what this land could be used for, this tract won't last long, so call us today to take a look!
