OAKY GROVE

Johnson County | \$45,000 | 21 acres

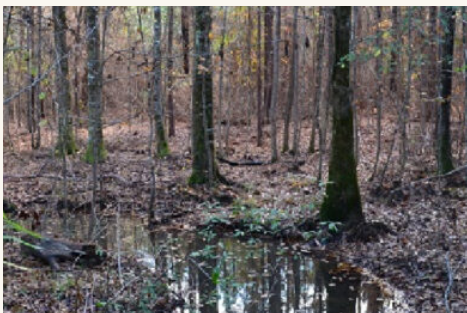

Property Details

Oaky Grove is 20.7± acres located in eastern Johnson County near the Washington county line. The property is timbered in natural pine and hardwood. A power line easement crosses the front portion of the property and a small creek makes up the southern boundary. Game sign is plentiful throughout the property. A small hunter's cabin could serve as a camp with a little work. A well is located near the cabin to supply water. This is a great opportunity for a tract of this size. Give us a call for your tour.
