OLIVE GROVE POND

Crawford County | \$107,500 | 33 acres

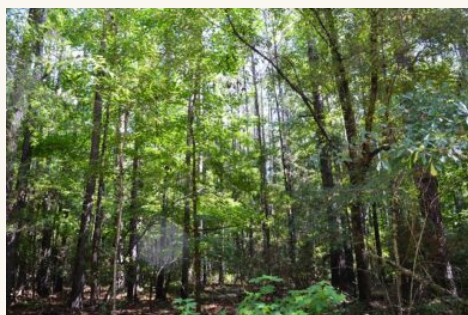

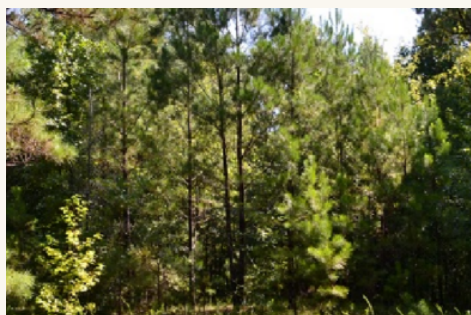

Property Details

Olive Grove Pond is 33,47 +/- acres located in western Crawford county near the Upson county line. The property features a fish pond that is just shy of two acres in size, long paved road frontage, and substantial timber value. The land is gently rolling with high areas as well as drains that are timbered in mature hardwood. The upland portions are mainly timbered in pine with the odd hardwood scattered throughout. Game sign is present all across the property. A system of trails touches most areas of the tract making access very easy. Whether you are in the market for a small recreational tract or looking for a place for a private homesite in the country, you should see this property.
