PEACH ORCHARD ROAD

Richmond County | \$460,000 | 119 acres

Property Details

Beautiful rolling property with income producing hay field, nice mature timber and a pond. The property also has an older 1640 sq ft brick home that could be renovated. Located just north of the Burke County line in Richmond County off of Peach Orchard Rd., this property is convenient to Augusta and Waynesboro. It would make a good hunting property, weekend recreation tract, or homesite. The hay fields are currently being rented out to a farmer but could easily be turned into pasture.
