RED OAK

Crawford County | \$27,500 | 5 acres

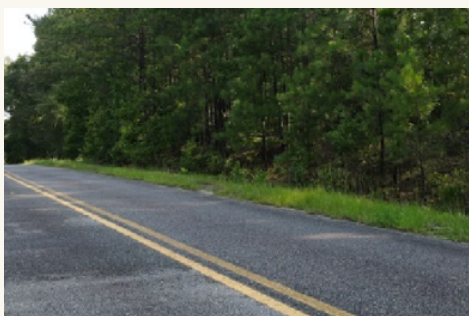

Property Details

This is a beautiful lot located in Crawford county. It has paved road frontage and is forested in beautiful oaks, longleaf pine and gum. The topography is gently rolling and ideal for a building site. The property's depth will allow the new owner to hide a home away from the street to create a very private residence. Please give us a call to see the perfect place for your home in the country.
