ROCKY KNOB RETREAT

Screven County | \$1,652,340 | 282 acres

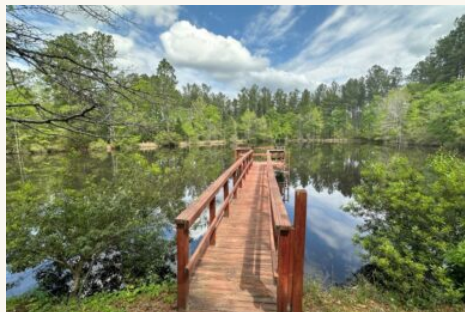

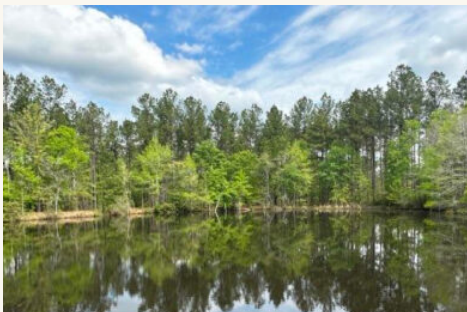

Property Details

Rocky Knob Farm is a private residence fully wooded located in Northern Screven County. The property features a mixture of planted pines and natural hardwood and pine mix. The home sits on a small hill overlooking the 1.5 acre pond with nice shade trees around. The property has a good interior road system with 7 established food plots. The plots all have box deer stands, Sawtooth Oaks and Chestnut trees planted throughout. The pond is stocked with bass and bream, the woods are abundant with deer and turkey. This tract would make a great permanent homesite or weekend retreat.
