SHADY OAKS

Screven County | \$150,000 | 20 acres

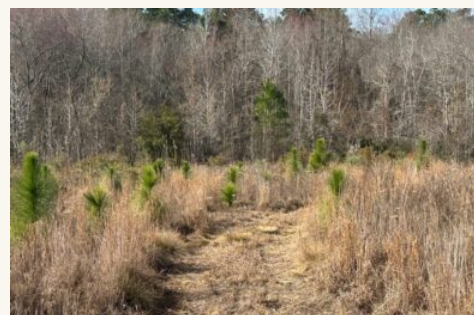

Property Details

This well-maintained 20-acre parcel has been thoughtfully manicured for hunting quail, turkey, and deer. The property features trails throughout the planted longleaf pines, ideal for bird hunting or simply enjoying a walk. The gently sloping terrain leads to a small creek at the rear of the property, adding both scenic appeal and wildlife habitat. Two box stands are strategically positioned on food plots, and the deer are fed year-round. In addition to being an outstanding recreational property, this tract would make an excellent homesite or weekend camping retreat. Additional acreage is available—call today to see this great property.
