SIMMONS BRANCH

Screven County | \$209,600 | 26 acres

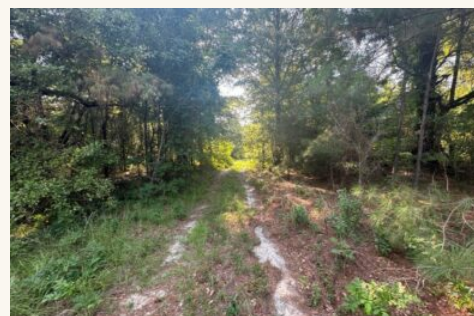

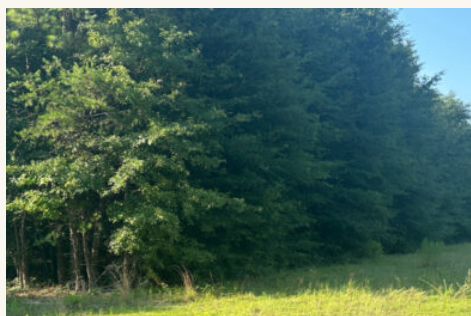

Property Details

Nice wooded parcel ON HWY 301 JUST 13 MILES FROM Statesboro in Southern Screven County. This property would make a great homesite or possible development with lots of road frontage. The majority of the property has mature timber with many large oaks and pines mixed in. The south side of the tract also has a good duck pond with deer and turkey abundant in the area.
