SOUTH PRONG

Emanuel County | \$99,360 | 43 acres

Property Details

South Prong Creek is 43.2 +/- acres located just north of Swainsboro. The property features paved road frontage and frontage along South Prong Creek. The land is gently rolling with some cleared areas for home sites and food plots. A good road system accesses all points of the tract. A well will be included in the price of the property. The new buyer will be able to position the well wherever they desire on the property. Large neighboring properties give this tract privacy and seclusion. This seclusion, coupled with some great home sites and recreational opportunities, make this property a must see.
