STORY MILL ESTATE

Richmond County | $2,225,000 | 195 acres

Property Details

From the private gated entry to the breathtaking views of its 195± acres, this property is nothing short of spectacular! It features a beautiful custom built home that boasts over 7,000 square feet of functional, well thought out living space. The home has a full chef's kitchen, 6 "master suites", gorgeous dining room, separate in law suite with full kitchenette, enclosed sun porch, and 3 car garage. A luxury pool/spa, accompanied by lush landscaping, sits between the main home and a 1,400 square foot pool house and outdoor covered grill area. The back of the property is home to a functional 2,000 square foot barn, a natural pond, and 100± acres of mature Loblolly planted pine. The property is zoned residential and commercial and the possibilities are ENDLESS! Property has been/can be used for weddings, Airbnb, private and commercial farming, and development. The land has already been approved for 30 half acre lots to build a subdivision. Call us today to view this impressive home and property! 912.764.LAND(5263)
