TOOMBS MINI FARM

Toombs County | \$259,000 | 25 acres

Property Details

Very seldom do you find a property of this size with this much potential. Located in the heart of onion country, the surrounding farms offer an excellent neighborhood. This farm features a large enclosed barn with two bays off each side & double roll up doors. Inside is a concrete floor set up to perfection. There is a newly installed deep well and power on site. There is a large 2 acre homesite in place off beside the barn & tucked between the pine plantation.

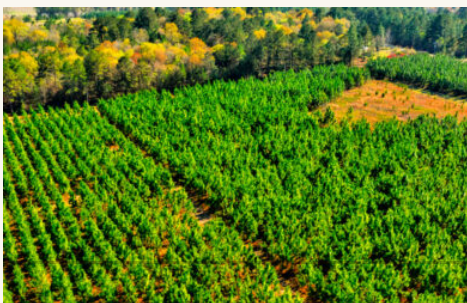

Address

1293 Hardens Chapel Road
Lyons, Georgia 30436
Toombs County

This farm features three gated entrances and fully fenced along Harden Chapel Road & Glynn James Road. There is an excellent stand of 8 year old planted pines with several interior roads throughout & around. There is 10 acres in the back of the property with mature pine & hardwood mix. A small creek runs the back property line, as well as a large duck impoundment, which would make a nice pond site. This tract is loaded with wildlife, and there is a food plot currently in place with Texas Hunter Feeder & Box Blind currently in place.

If you are looking for a beautiful tract to build your home in the country on acreage, you will be hard pressed to find a better place! Give us a call today before its gone!
