TRAM TIMBER

Screven County | \$488,800 | 94 acres

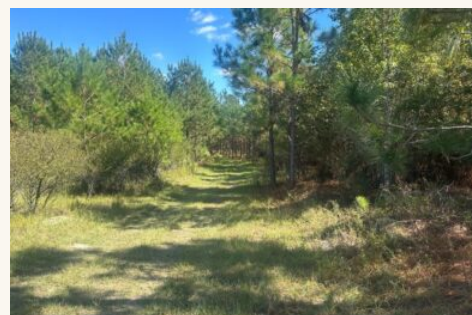

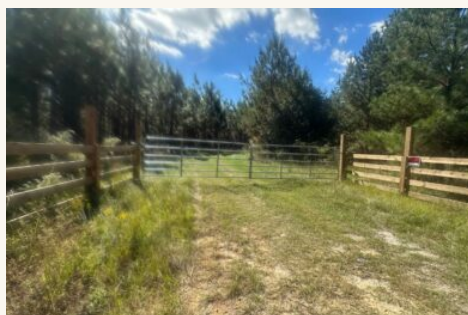

Property Details

Great hunting and investment property in northern Screven County. This tract has a mixture of hardwoods and Longleaf pine plantation. The straw from the Longleaf pines can be raked to provide yearly income. The area has plentiful wildlife including deer, turkey and ducks. There is a good interior road system, a duck pond, and food plots in place, making this property ready to hunt from day one.
