WHITEHILL FARM

Screven County | \$894,600 | 264 acres

Property Details

This diverse property offers a little bit of everything from great hunting, timber investment, cropland and weekend getaway. The 264 acres is abundant with deer, turkey, dove and ducks. There are many interior roads, established food plots and the field is planted in peanuts this year, great for wildlife. The creek on the back of the property and 2 small water holes make good waterfowl habitat. The property can be purchased as a whole or divided to suit the buyer. Please see attached map for the property divided with pricing.
