WILLIAMSON CREEK HOMESITE

Jefferson County | \$79,900 | 35 acres

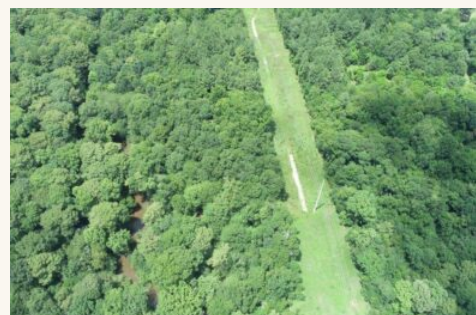

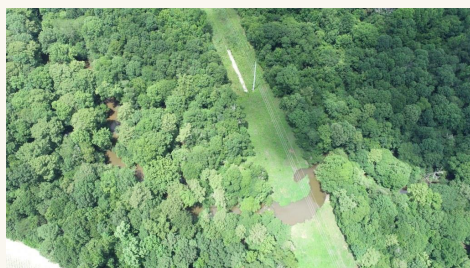

Property Details

Williamson Creek Homesite is a beautiful tract located just outside of Wadley. This tract has a substantial amount of mature hardwood & pine. It features a large transmission line, which would make for excellent hunting. Deer, turkey, & ducks can all be found on this property at any given time. There is ample amount of frontage along Williamson Creek, a year round flowing creek, that even offers some fishing opportunities. The creek flows directly across the power line, making it easy to access and further navigate. City water & sewer is available allowing for easy access to all utilities. This is a unique tract, and it will not last long. Give us a call today!
