BUCK CREEK TIMBER

Laurens County | \$1,548,000 | 430 acres

Property Details

Excellent recreational-timberland investment in sought-after Laurens County, GA! This tract features a healthy mix of merchantable & pre-merchantable planted pines, offering immediate timber income and long-term investment potential. An extensive internal road system provides access throughout the property and to its four established food plots. Large hardwood bottoms are located around the tract, and two creeks flow through the property, offering mast, natural forage, and ample water for the wildlife. Trophy bucks have been taken on this tract and surrounding properties in the last several years. Ample road frontage, two gated entrances, a great location near Dublin and I-16, excellent deer hunting, and promising timber growth make this a must-see property.
